Report of the Standing Committee on Justice and Human Rights
Anthony Housefather, Chair

Egale Canada is a registered charity. Consequently, it's heavily subsidized to carry out it's activities, something that may not go over well with everyone. Are public funds being wisely spent?

Below is the source material for the video.

OMG! I was literally sick to my stomache listening to this. This is not only protecting perverts, but funding them, and disempowering Christian society, and especially parents.

How can something so evil, so entrenched that our society is now fully immoral be fought, when the taxpayer is paying for this to happen and the Supreme Court of Canada is protecting the entire pedophile/homosexual network who repeatedly tell us, even in song, that they are coming for the children?

do you really want an answer to that rhetorical question?
if so, start in Deuteronomy 28 of the Bible … the part where God Almighty marries the nation of Israel. That God = Jehovah = being the One to whom our Queen Elizabeth II, then King Charles III vowed in the Coronation Oath, that they would use the Bible as the Royal Law.

Deuteronomy 28 is the marriage contract. If the nation = the Bride = obeys her husband, all goes well. But if she dis-obeys, then He divorces her. After which, every one of the blessings are changed to a curse.
no small point, as well, that upon Divorce, the Bride was prohibited from using the Name of her former Husband. Which is why hWhitepeople don't know our heritage

when I was a child, you'd seen an ad in the newspaper by the divorced man, warning the community, that he was no longer responsible for the debts of his former wife. Same with us ; all those trespasses against the Law of God … known as sins … are overdue to be repayed.

we are reaping what we sowed. A handy demonstration : the devastation of America by drugs manufactured in Red China, is only the Opium War in reverse.
